## Wednesday Family Envelopes

We will be sending home the Wednesday memo and other handouts each week on Wednesdays in the family envelope with the oldest child in the family. Please ask your child each Wednesday for their envelope. Please return your envelope the next day. We will be using this envelope for the entire year. If you signed up to receive your handouts by email please check your email on Wednesdays. We will begin emailing handouts next week. You may still receive an envelope with other items that were not sent by email.

## Drop Off and Pick Up Traffic Pattern

You will notice several green signs at the entrances to our parking lot. These signs serve as directives for entering and exiting our parking lot during school hours (7:45 a.m.-3:30 p.m.) Please ENTER the parking lot by the Van Buren Street entrance and EXIT by the Harrison Street exit. We ask that you drive slowly through the parking lot as students will be approaching their car or the school building. Please park in the designated parking stalls and not in the handicapped stalls. Please do not pick your child up and the driving area. These expectations are for the safety of all students and parents! Thank you for your cooperation to this special safety request!

## **We Are Called... To... The Corporal Works of Mercy**

Throughout the 2013-14 school year, the staff and students of St. Ann School will be celebrating the faith community theme: "We are called." The students and staff will be discussing the Corporal Works of Mercy (Matthew 25: 31-46) throughout the year and will be invited to become involved in several service opportunities matching the Corporal Works of Mercy. Through our discussion and implementation of the Corporal Works of Mercy we will bring Jesus' caring presence into the lives of those who are in despair, lonely or feel abandoned. Jesus words, "I assure you, as often as you did it for one of my least brothers or sisters, you did it for me" is an invitation to each of us to be his hands as we personally take up the work of love in the world today.

As this new school year unfolds, I pray for each of your families as you continue to see and hear the needs of others. May you use your gifts to give others new courage and new hope as you share with generous hearts and respond to those in need.

**Jesus has no hands but our hands to do his work today.**

**He has no feet but our feet to lead others in his way.**

**He has no tongue but our tongue to tell people how he died.**

**He has no help but our help to bring others to his side.**
