2015

Women's Weekend February 6-8

A personal invitation from Shaun Kleitsch to the women's CEW weekend:

I know it is hard to not sleep in your own bed - to miss your child's game or to think about spending the weekend with people you "sort of" know. I get it. I was there once, too. But what if I said that you might find a peace that you never knew existed - that you will begin to think about Jesus as your best friend - that you can become the mom/wife/friend that God intended for you to be. That is what CEW has meant for me. I'm going - won't you think about attending, too? It is so worth all those inconveniences and fears that you might have. A registration form came home in your family envelope last week or is online at the parish website.

Tuition Reminder

Reminder: Monthly, Quarterly and Semi-Annual Tuition was due on January 15, 2015. Your prompt payments are appreciated.
