Madrigal Dinner at Stoughton High School

Mrs. Roisum is again reserving a table for 7th and 8th Graders and their families for Stoughton High School's 39th *Madrigal Dinner* on Monday, December 14. The reception begins at 6:00 PM with doors opening at 6:30 PM and ends at approximately 9:00 PM. The Madrigal Dinner is a wonderful way for our students to witness the talents of Director Ryan Casey and the high school choir students, many of whom are former St. Ann students. If you are interested in attending, the cost is \$25/adult and \$15/student/child. The six course menu features soup, salad, main chicken entrée, fruit, sherbet, and of course figgy pudding. To reserve a spot, please email Kara Roisum, kara.roisum@stanns-school.org, no later than Tuesday, November 17, as to the number of students and adults attending. Space is very limited, so we need to get our reservation in early. Payment can then be dropped off in the school office. Checks should be made payable to *St. Ann School*.

We Are Thankful

SAINT ANN SCHOOL
— putting faith in education —

It's that wonderful time of year when we start to think in "thankfuls" and blessings, and Home & School is feeling the love too.

Our logowear initiative is up and running and the kids look great! Thank you, parents, for supporting this new effort. Teachers love that students can wear the uniform shirts on field trips, and they represent our school so beautifully at Friday morning mass. Another order has gone in, and in the true giving spirit of our Catholic faith, an anonymous family purchased shirts for students who might otherwise not be able to purchase one. Thank you for your generosity! We love to see that kind of faith in action.

October was a great month for St. Ann's students and families, starting with a wildly successful NEW Harvest Dance, and wrapping up with a fun laser tag night for the kids. Looking at the year ahead, we have many more great events planned. Some brand new plans and some old favorites like the Spaghetti Dinner (planning for which is off to a terrific start thanks to the awesome new co-chairs Stephanie Bailey and Brenda Welhoefer!). It's a great time to be a St. Ann's Kid--and a St. Ann's Grown-Up!

These events don't happen by themselves. Family enrichment co-chairs Judy Apel and Lisa Howard and the entire committee went above and beyond to make magical memories for the kids and awesome social opportunities for parents at the Harvest Dance. We are so thankful for the committee's hard work and creative spirit and can't wait to attend more of their awesome functions!

On November 13, we have Grandparents/Special Person Day, which is always a memorable event. Rachel Langenhol and a dedicated crew of volunteers for the day have more memory-making in store for students and their special people. Big thanks to Rachel, for her efforts, and the volunteers who have stepped up to lend a hand. We are fortunate to have so many St. Ann's families with that "all-hands-on-deck" attitude!

As an added bonus, the Scholastic Book Fair will also be happening November 9-13 (simultaneously with Grandparents/Special Person Day)! Thank you, Karly Schaefer and Diana Probst, for tackling the Book Fair as first timers! After a year off, we're very excited to have this sale back and in time for the holidays. We have a feeling a few kids will be leaving school on Friday with smiles and heavier book bags (and Nanas and Papas will have lighter wallets!).

If events like these are the jewels in our St. Ann School family service crown, volunteers are the gold that holds those gems. And what's even more wonderful is you don't need to wait for an event to volunteer! The Home & School Committee would like to offer a special thanks to the following individuals who continually go above and beyond to serve:

Diane Neumeyer is always quick to help in the office, change the outside board, and fill in where needed. She's an all-around help in times of need, in addition to all the hours she spends with SCRIP, Drama Club, Religious Ed, and helping start the Middle School Chorus! What would we do without Diane?!

Kristen Danninger is another awesome all-around helper! You can find Kristen in the classrooms, working with Trash to Treasure, helping with the Parish Festival, or pretty much anywhere she sees a need. On occasion she's even been spotted rolling up her sleeves to put some elbow grease into a random cleaning job. She donates crafts to Extended Care, she helps us out in the kitchen when we need extra help, especially on grilled cheese day. Seems like I see her doing "stuff" all over the place. Last summer she even volunteered to help push a man in his wheel chair over to mass on Saturday evenings.

Thanks for all your extra effort, ladies!

The parent volunteers mentioned here are just the tip of a very large family-support-system iceberg and as we move into the bitterly cold months of the year, that iceberg warms our hearts. Stay tuned for more "volunteer spotlights" in the weeks ahead. With so many people doing so many good and generous things at St. Ann's, we have lots of people to highlight and be thankful for.
