National Vocation Awareness Week Nov. 6-11, 2016

In your family envelope, is a Family Take-Home page describing some activities that you can share with you child/ren during this special week or throughout the year.

Below is a Vocation Prayer to share with your family.

Loving God, each member of our family is a special gift from you. You have given each of us gifts and talents so we may enjoy life, but also that we can share our blessings with others.

Generous men and women, boys and girls are needed for service and leadership in our church. Help us know how to encourage and support each other so we can respond courageously to this need by becoming the kind of people you would want us to be.

We know that you are with us each step of the way. Help us to trust in you and in each other.

We ask this through Christ our Lord. Amen.

Committee Chairperson Orientation

If you are chairing a Home & School committee we invite you to attend a brief "Chairperson Orientation" session on either **Tuesday, November 15, 6:30 – 7:15 p.m. or Thursday, November 17, 5:30 – 6:15 p.m. in the Library.** The sessions, conducted by members of the H&S Steering Committee will cover committee chair roles and goals; committee budgets; timelines, etc., and will be an opportunity to ask any questions you might have. If you are chairing a committee that has already started – or ended – your work for the year, we encourage you to attend, as well, so we can address issues related to archiving files, volunteer staffing, and general feedback on the experience.
