St. Ann School Band

A representative of Overture Band Programs will be at St. Ann School for a Student Band Recruitment presentation on Wednesday, May 23, at 8:45 a.m. Students in grades 3-7 will learn about the opportunity to join band at St. Ann's, as well as hear many instruments played. Students will also have the opportunity to try out mouthpieces for the different instruments. The tuition fee for this program is \$495, which equals about \$17/week; and it also provides more opportunities for the students such as weekly lessons, concerts, solo and ensemble festival, honor band, and jazz band. The Overture Band Programs offers many different payment options and plans for paying tuition. There will be a Band Intentions Form sent home with your child on Wednesday. If your child plans to join band, please fill out and return this form. If interested, a registration form will be sent to you in July for a first payment due in August. If you would like more information, you can visit Overture Band Programs at www.overturebandprograms.weebly.com/.

Color Run Color Run Color Run

This year the color run will be held the morning of Tuesday, June 5. Please have your student wear a white shirt and white shorts that can get colorful without worry! This event is a fundraiser to help fund the new school playground. In the next few days, buckets will appear outside the school office labeled with class grades. They will be out before and after school. Drop in spare change and dollar bills **to your class bucket only!** This is not a penny war! The class that raises the most money will get the fun privilege of bombarding the graduating 8th graders with water balloons! However, if the 8th grade raises the most money, they will get to bombard the TEACHERS!!! Parents, if you are available to help with this event at a color or water station, please contact Mrs. Aimee Stano at aimee.stano@stanns-school.org.
