Dear Families,

This fall, St. Ann school will be participating with KiDoodle Designs, a program that transforms your child's original artwork onto an array of unique items which make great gifts for your child and the special people in your life. Look for more information in weeks to come about this wonderful fundraising program. All orders will be delivered to the school before the holidays so you can include them in your gifting plans. Samples of gift items are on display at the school in the glass showcase.

Mrs. Jamison, Art Teacher

School Picture Day Friday, September 18

There is an order envelope in your family envelope for ordering school pictures from Lifetouch. You may order pictures by using the envelope or by ordering online. It is not mandatory to order school pictures. Your child's picture will still be in the class composite even if you do not wish to order.

Photos will be taken in Healy Hall. Parents of PK3 students may bring their child on Friday Morning for pictures **or** you can wait for the October 20 Photo Retake Day, which will be held during their class time.

Guitars Wanted

Do you have a guitar at home that you no longer play and would be happy to donate to our music classes? We would love to have 10 guitars donated to our music program. This would be a permanent donation. We prefer them to be full size (not smaller 3/4 or 1/2 size) and would prefer nylon strings (not steel) and in good playing condition. If you are interested in donating a guitar, please email our music teacher, Vicki Gleason: vicki.gleason@stanns-school.org
